

Hello,

My name is Rhonda Hofmann Gorman and it is my pleasure to serve as the appointed City Clerk as of June 20, 2016. I have lived in the city my entire life as well as being educated thru Lawndale Elementary School Distract and by Centinela Valley Union High School District graduating from Lawndale High, Class of 1980 as well as attending El Camino College in Torrance. My husband and I are the parents of two children. My kids were schooled here and are both currently seeking higher educations.

The city clerk's office is vital to a well-run city. The office is responsible for conducting municipal elections. Delivering the oath of office for elected officials as well as appointed individuals to the many boards and commissions within our city. The city clerk's office is also responsible for record keeping for the city.

On a daily basis you will find that our office is staffed with an Assistant City Clerk as well as a Deputy City Clerk. Both of these individuals are available to assist and answer questions that you might have.

In closing I would like to say I am proud of Lawndale and the changes I have seen in my lifetime. Please, exercise your voting right during elections and communicate with your elected officials. Let's together continue to move Lawndale forward.

Sincerely,

Rhonda
