4045 West 167th Street – on Osage Avenue between 167th and 168th streets
Unsupervised – no phone

The Frank Hogan Tot Lot is located in a quiet residential neighborhood and, at just one acre in size, it is an ideal site for the pre-school child to enjoy a day at the park. The park features a playground for toddlers and pre-school aged children and open green space making it ideal for picnics and small group gatherings. Recognizing the importance of this park space to the community, the City is planning for a renovation of the park. As a result of an extensive public input process, a number of park master plans have been created. The renovation will include modern playground equipment, picnic areas and other play features and could include expansion of the park to the south and west. Despite any future renovation plans, the Frank Hogan Tot Lot will remain a park specifically designed for toddlers and pre-school aged children. The park is available for use on a first come, first served basis.
